

The aims of the English Language Education curriculum are:

- To provide opportunities for the students to extend their knowledge and experience of the cultures of other people as well as opportunities for further studies and pleasure in the English medium,
- To enable the students to prepare for the changing socio-economic demands, including the interpretation, use and production of materials for pleasure and study in the English medium, and to develop the students' positive attitude towards English and to maximize the students' exposure to the language.
