## Kindergarten Phonics Lessons

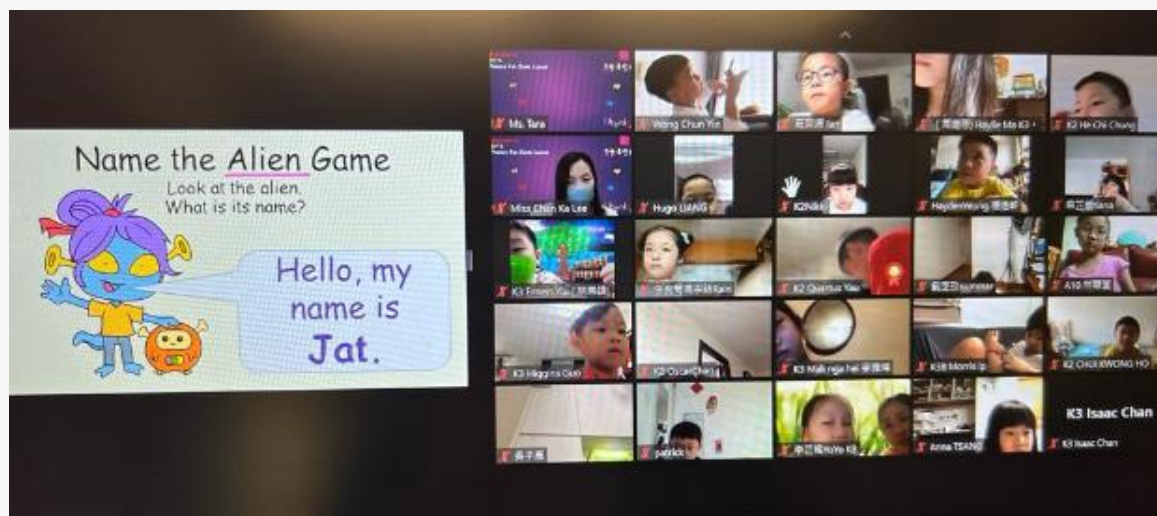

This year, the kindergarten phonics classes were done on Zoom. We had 4 lessons, and taught the rimes: at, en, up and ug. The lessons consisted of the sounds, using the onset and rime pattern to make words. English activities were done every lessons. Students sang the chants and listen to a story too. After the lesson, an extended learning activity was assigned to the students.

The memory game was fun!

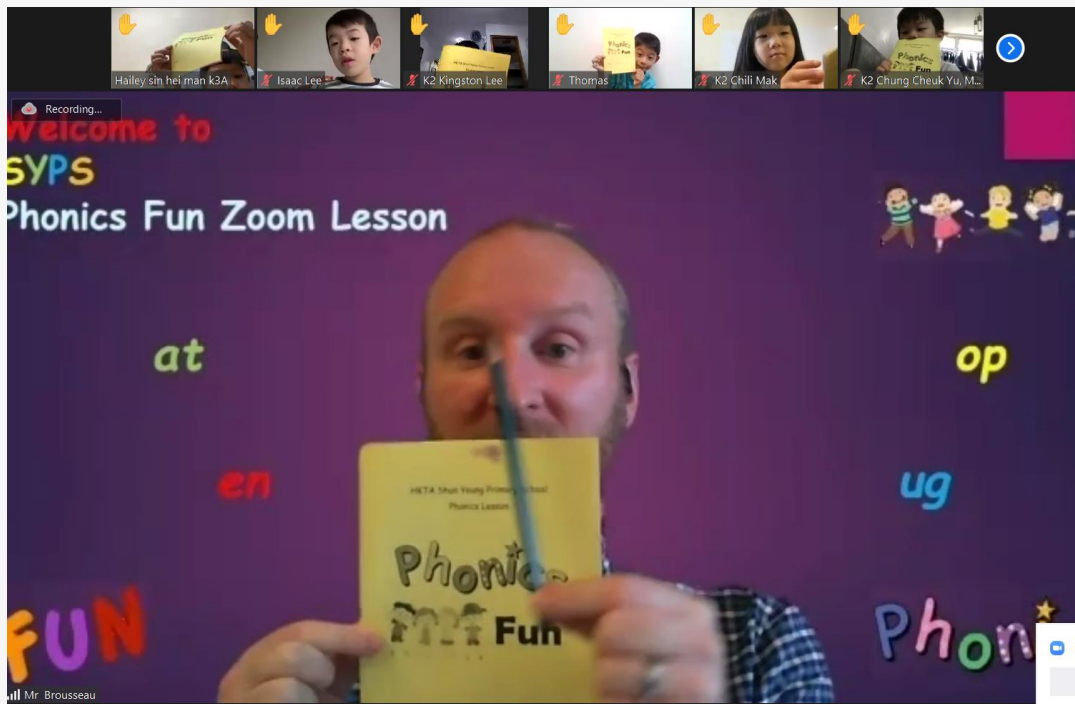

Let's sing together!

Name the Alien Game and Show and Tell activities were interesting!

Students liked the story very much!

A workbook activity was assigned to the students as extended learning.
