

HKTA Shun Yeung Primary School  
2021-2022  
2<sup>nd</sup> Term Extended Learning Activities

P1 Extended Learning (Colour Mixing)

P1 students learned about the primary colours and experimented with colour mixing in order to paint a picture of a flower. They had to create new colours while only using red, blue and yellow.

P2 Extended Learning (Healthy Snacks)

P2 students explored the storybook, "All Through the Week with Cat and Dog". They learned about eating healthy and the days of the week. For their extended learning activity, they were asked to make a healthy and beautiful snack and present it in their lesson.

P3 Extended Learning (My Favourite Place)

P3 students read "Sally's Favorite place" and the students were told to go and visit their favorite place in Hong Kong. Due to Covid 19, students were allowed to choose their home as their favourite place as some families are not going out into the community at this time.

My Favorite Place

This is my favorite place,  
my father's shop.

It is in Hung To Road,  
Kwun Tong.

There are many food  
and drinks.

This is menu. The food is  
good.

There are many drinks.

I like Cola.

I like going there to eat  
and drink.

#### P4 Extended Learning ([What's Cooking](#))

P4 students read, "What's Cooking at the ZOO?" and were encouraged to cook a dish at home. They were asked to make a short video about the cooking process including ingredients and steps. They were also encouraged to have adult supervision.

### P5 Extended Learning (Cracker Review)

After reading, "Crunchy Crackers", students were asked to choose their favourite cracker and make a short video review, introducing some important information about the crackers.

### P6 Extended learning (Stop Bullying)

P6 students read the story, "Beating the Bullies" and learned about the problems with bullying. They were asked to either make a video about bullying or to make a poster to show what they have learned.
